### POST ADMISSION REQUIREMENTS

Your course may have specific admission requirements such as immunisation, the requirement to obtain a Suitability to Work with Children Card, federal police check and/or other requirements that you must comply with in order to stay enrolled in your course. You will find your course requirements here: <https://www.jcu.edu.au/professional-experience-placement/preparation-checklists>

### SPECIAL ADMISSION REQUIREMENTS

Applicants who have graduated with a bachelor (pass) degree from another university may be required to complete coursework or assessment as deemed necessary by the Course Co-ordinator to comply with AIMS minimum requirements for accreditation.

### COURSE INCLUDES MANDATORY PROFESSIONAL PLACEMENT(S)

#### Clinical placement/professional practice:

This course includes prescribed professional or clinical placements. Students may be required to undertake such placements away from the campus at which they are enrolled, at their own expense (Note: health professional courses generally involve extensive professional or clinical placements).

Further information about placements can be found at [Enrolment Policy – Coursework Students](#)

### **SPECIAL ASSESSMENT REQUIREMENTS**

At the discretion of the College Dean, students may be required to undertake a prescribed English language test to ensure that they have an acceptable level of English language proficiency, including at least at the level required to be admitted to the course, to safely participate in professional experience placements.
