POST ADMISSION REQUIREMENTS

This course may have specific admission requirements such as immunisation, a Suitability to Work with Children card, a federal police check and/or other conditions that students must comply with. Students must complete all professional experience placement requirements by the prescribed deadlines and maintain currency of these requirements in order to stay admitted in the course.

You will find your course requirements here:

<https://www.jcu.edu.au/professional-experience-placement/preparation-checklists>

COURSE INCLUDES MANDATORY PROFESSIONAL PLACEMENT(S)

Clinical placement/professional practice:

This course includes prescribed professional or clinical placements. Students will be required to undertake such placements away from the campus at which they are enrolled, at their own expense (Note: health professional courses generally involve extensive professional or clinical placements). Further information about placements can be found at:

[Enrolment Policy – Coursework Students.](#)

Students who have returned to study where the duration between their previous clinical placement and their pending clinical placement exceeds 12 months, may need to complete the Clinical Reconnect program.

PROFESSIONAL ACCREDITATION REQUIREMENTS

At the discretion of the College Dean, students may be required to undertake a prescribed English language test to ensure that they have an acceptable level of English language proficiency to safely participate in professional experience placements.
